HAMATEUR CHATTER
The Milwaukee Radio Amateurs' Club, Inc.
The World's Oldest Continuously Active Radio Amateur Club

OCTOBER / NOVEMBER 1983
NOW IN OUR 66TH SEASON

MILWAUKEE RADIO AMATEURS CLUB welcomes all radio amateurs and all persons interested in amateur radio to attend our meetings.

TO ALL MEMBERS OF THE AMERICAN RADIO RELAY LEAGUE we extend a very special invitation - we are the oldest affiliate of your League.

MRAC REGULAR MEETING: 7:30 PM Thursday, November 10, 1983, at the Wauwatosa Savings and Loan Building at 7500 West State Street. Hall is open at 7:00 PM for rag chewing and consultations. The speaker at this meeting will be Mr. Frank Lorbecki, Engineering Supervisor of WISN Radio, who will tell us what is involved in operating and maintaining a 50,000 watt transmitter!
Not 5W Not 50W Not 500W Not 5000W But 50,000W!
Mr. Lorbecki will illuminate his lecture with slides.

NEXT MRAC REGULAR MEETING: Thursday January 12, 1984 - Program to be announced in our December bulletin. Watch for it.

MRAC ANNUAL CHRISTMAS PARTY - Thursday evening, December 8, 1983. After a fine dinner we will honor our Old Timers and guests. LIMITED SEATING. Make reservations promptly using the enclosed form. We need the help of every member to make this a success. Don't let your club down. Additional forms available at the November meeting or from club officers. Non-members of MRAC are equally welcome to attend but must also make reservations.

MRAC ANNOUNCES THAT: Mr. Bernard D. Moores, K9KLM, has applied for and been voted a Life Member by the Board of Directors. To become a Life Member of MRAC you must be at least 60 years of age and have been a member for at least twenty years continously and you must make the application for this honorable status. Our congratulations to Bernie Moores!

MRAC has received a donation of $15 for the Herbert F. Wareing Memorial Fund from Mr. & Mrs. William Lower of Waukegan, Illinois. Thanks.

MRAC HERBERT F. WAREING MEMORIAL FUND has received a fine boost from Myrtle LaForce who is donating the complete station equipment of our late member Charles LaForce, KA9IVF. This modern equipment will be on display at the November 10th club meeting. Sale has been place in the hands of Travis Baird, W9VQD, and interested persons should deal with him. Gear includes a Kenwood Transceiver Model PS520-SE, High-Gain Verticle Antenna, Dentron Antenna Tuner, Dentron 1000 watt Dummy Load, B & W Low Pass Filter, spare tubes, SW and Field Strength Meter, Hamkey, Iambic Paddle Key, fones and more. See it at the November 10 meeting. Make offers.

PLEASE MAKE RESERVATIONS FOR THE MRAC CHRISTMAS PARTY AS SOON AS POSSIBLE
